This free medical consultation week was conducted to celebrate **National Doctors Day**. It is The main aim of this free medical consultation by **YCBACO M&D WING** was to commemorate the birthday of Dr.B.C.Roy, one who rendered selfless service to the public. Our free medical consultation week was to create opportunity for common public

to access medical service at their own houses during this pandemic. Our team of doctors played a major role and handled all patients with utmost care . Our team handled 6 consultation requests from different parts of Tamilnadu. They spoke to the patients and also their kith and kin for adequate history. Investigations were advised and taken care of. Medicines were prescribed at the end. **All the requestors felt very happy for the selfless service which we provided them and they thanked our team profusely.**

No expenses incurred.

No conflict of interests among any doctors.
